

BURTON SALING CLUB - PURSUIT RACE

2025 - Sequence start 11.00

RACE BRIEFING

NOTE - START TIMES FOR SOME CLASSES HAVE CHANGES FROM LAST YEAR DUE TO NEW PY RATINGS FOR 2025

Pursuit race basics

For those who are not familiar with this type of race format the principle is quite simple. The race is held over a fixed time of 80min. starting at the nominal start time based on the mirror dinghy. In simple terms the slowest boats start first and the fastest boats start last. If everyone sails exactly to their handicap speed all boats should finish at the end of the race at exactly the same place which doesn't of course happen although last year the first three boats finished only 20sec apart.

Starting

The committee boat will have a flip over number board with numbers displayed. This number board will be on the start line side,. These are the minutes denoting the start times. A starting horn will sound every minute as the numbers are flipped over. The start line is not part of the course after starting unless G or gate is displayed on the course board.

Make a note of your starting time from the table below according to your class of boat.
YOUR START TIME WILL BE AS YOUR MINUTE NUMBER IS FLIPPED OVER. This means that if your start time is 10min, the number 9 will be showing for 1 minute before your start.

The usual 5,4,1,GO sequence will be used. GO will be the mirror dinghy start, you will see from the table below that PICO start on 2 minute so for PICO sailors GO is your 2 minute warning. Once you have started you have to race around the course as fast as you can for 78 minutes and hope no other boats pass you!

As the Terras and other slower boats start first **it is important that you know the course to be sailed as you will not have any other boats in front of you to follow.**

A STARTING TIP. If you watch is set for 5min countdown, note the time 5min before your scheduled start and start you watch when that time is flipped over.

NOTE! THE START LINE AREA IS OUT OF BOUNDS FOR PRACTICE STARTS UNTIL ALL BOATS FROM THE PREVIOUS START HAVE FULLY CLEARED THE START LINE. Boats interfering with boats from other classes before or after their start risk being black flagged.

Minutes – start time from GO (GO = 0) listed in time order.

For all starters at – (minus) times see race officer for instructions

Optimist	-15		Solo	13		RS Aero 7	18		Merlin Rocket	23
Terra Sport	-5		RS Aero 5	13		Lark	18		Int Moth Non F	22
Mirror	0					RS200	19		Contender	23
Topper	0		Enterprise	14		FF Classic	19		Fireball	24
Terra Pro	0		GP14	13		Scorpion	19		RS 400	25

Windsurfers	Min			Min			Min
Techno 5.8	10		Techno 6.8	14		Techno 7.8	17
Raceboard 9.5	15		Foiler	41			

For simplicity I have listed classes normally sailed at BSC
If I have missed any, my apologies, see table on P2 to find your start time for any missing class.

Start Line

The start line is not part of the course after starting unless G or GATE is displayed on the course board.

Finishing

At the end of 80min (from GO) there will be a 5sec sound signal. AT THIS POINT **CONTINUE SAILING THE COURSE** BUT DO NOT PASS ANY BOATS IN FRONT OF YOU.

A finishing boat (RIB) will motor down the course back from the leading boat to record all boats finishing position. Each boat will be informed individually by the finishing boat crew that they have finished the race.

Dennis Cartwright. 07879 880898 - Any questions feel free to message or call me or catch me on Sunday morning before I go afloat at about 10.00. Copies of this briefing will be available in the hanger.
